

GOOD PRACTICE GOOD HEALTH INC.

ANNUAL GENERAL MEETING

4 February 2016

PRESIDENT'S REPORT

- GPGH has been approved as a charity and has also been approved for tax concessions
- Also endorsed as a deductible gift recipient, meaning that if anyone donates to GPGHI. they are eligible to claim their donation as a tax deduction.

The GHS attracted 180 registrants across the public and professional streams of the Summit and resulted in a profit in excess of \$7000.

All speakers were very happy to have been associated with our event and the feedback from participants was generally excellent. You have previously received survey results post the summit and the report regarding the GHS in July 2015. It is hoped to build a second GHS in 2017 as per the committee decision post GHS 2015.

GPGHI. has maintained a relationship with Aust. Institute of Patient and Family Centred Care and as a result GPGHI. Secretary (Sharee) is participating as a Committee member in planning of Gathering of Kindness with Dr. Cath Crock. This event will be held 31/3 – 01/01/16 at Mt. Macedon. We look forward to hearing what you learn Sharee and how this might add to the planning of GHS 2017.

Joel Fanning
President
