### Dinner Address Osseointegration - The Amputee Journey

#### A/Prof Munjed Al Muderis

**A/Prof. Munjed Al Muderis is a osseointegration surgeon, who will focus on pain, and developments in robotic limbs.**

A/Prof Al Muderis is an Australian trained Orthopaedic Surgeon and a Squadron Leader in the Australian Air Force Reserve. He is also an Ambassador for the Australian Red Cross, human rights activist and a refugee. Munjed came to Australia by boat.

After ten months in Curtin Detention Centre, he embarked on a mission to become an Orthopaedic Surgeon. He is now one of three surgeons world wide pioneering a revolutionary technology known as Osseointegration. As a leading surgeon in this complex reconstructive and robotic surgery, Munjed has helped more than 270 amputees from around the world to improve mobility, reduce pain and overall enhance their quality of life.

Munjed's day-to-day work as an Orthopaedic Surgeon involves hip and knee arthroplasty and major reconstructive surgery. He teaches at Notre Dame and Macquarie Universities, trains local and international surgeons, registrars and medical students.

Apart from his academic and clinical roles, Munjed is heavily involved in humanitarian work volunteering his time as a surgeon and as a human rights advocate. He has affiliations with Amnesty International, United Nations. He has also authored his well-read memoir, *Walking Free*.

A/Prof Munjed Al Muderis will also lead a workshop at the Gippsland Health Summit 2017 Professional Conference on Saturday 25 March
